FIRST-TIME USER INSTRUCTION

01. Charging shoes

1) USB Charging

Take out the shoe insole and charge and plug your micro-USB cable into the USB port.

2) Wireless Charging

If you bought wireless charging pad for Salted shoes, then place your shoes onto wireless pad.

④ LED Light Indicator when charging

| User Scenario | Status | LED Light Indicator |
|---------------|----------------|----------------------------|
| When charging | Low Battery | Red LED light flashes |
| | Normal Battery | Yellow LED light flashes |
| | High Battery | Sky blue LED light flashes |
| Fully charged | | LED light off |

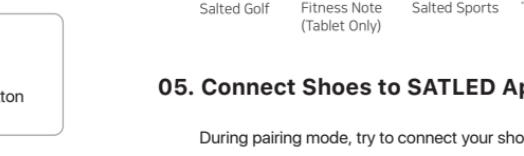

※ Recommended minimum charging time : 30 mins

02. Turning the power on

[Power ON] After charging, turn on the power by clicking power/pairing button for 3 seconds. When the power is on, Green LED light flashes twice and then Blue LED light is on.

[Power OFF] Turn off the power by clicking power/pairing button for 3 seconds. When the power is off, Red LED light flashes twice and the LED light is off.

*Right Shoe standard

※ For the first use, you must turn your shoes on first. When you don't use it for a long time, your shoes will go into sleep mode 5 minutes after blue LED light flashes. Thus, you don't need to turn your shoes off.

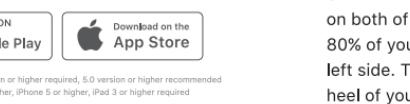

03. Turning on pairing mode

Turn on pairing mode by clicking power/pairing button shortly. When the pairing mode is on, Pink LED light flashes.

During pairing mode, try to connect your shoes with SALTED application by clicking "Connection" button on SALTED application.

04. Install and Activate SALTED application.

Go to App Store or Google Play Store and search for Salted application like below.

*Android OS: 4.4 version or higher required, 5.0 version or higher recommended
*iOS: 8.0 version or higher, iPhone 5 or higher, iPad 3 or higher required

EXPLANATION ON DATA TYPES

01. Weight Distribution And Trace

Check how your weight is distributed on both of your feet. In this diagram, 80% of your overall weight is on the left side. There is more weight on the heel of your left foot and on the toes of your right foot.
